

Marten Bunnemann

CEO, Avacon AG

Marten Bunnemann has been CEO of Avacon AG in Helmstedt since January 2018. Before his appointment to the Executive Board, he was responsible for Business Development and Decentralized Energy Solutions at E.ON Germany. One focus of his work was on sustainable city solutions.

Marten Bunnemann is a lawyer and holds a Master of Business Administration (MBA) degree.

Avacon is one of the leading supraregional network operators in Germany and ensures the supply of millions of people - from the North Sea coast to Frankfurt. Avacon operates around 67,000 kilometers of electricity - and 21,000 kilometers of gas network.

2 October 2018, Berlin
